### MAKEUP Information

Basic dance make up will need to be worn. This consists of foundation (no orange faces please!), natural blusher & bronzer, lipstick (pinky/red), eyeshadow (light browns/golds) and mascara. Please arrive to the photos/show with your make-up already done. In the interests of hygiene, please bring your own supply of make up if you feel it will need correcting/re-applying back stage.

### HAIR Information

Please always arrive with your hair already done for your first number. Please bring your own personal hair supplies (brush, gel, hair spray, bun nets, bun donut, hair coloured bands, Kirby grips etc) with you. If you are unsure on any hair requirements, please speak to your teacher and they will be able to give you some advice. We have a limited number of helpers to do the French Plait. Please watch the video on the costume page on the website for how to do it and please give it a try. If you are really stuck, please ask around family/friends for help, and at the last resort let us know if it will need doing for you on the day.
